Data Presentations

Discussion:

The meeting began with introductions by planning council members and visitors.

- Dr. Glen Treisman discussed the relationship of mental health to the HIV/AIDS epidemic.
- Valli Meeks and Larry Banks from the University of Maryland presented on oral health services.
- Yohannes Abaineh of the Baltimore City Health Department presented on client level HIV-related data
- Reginald Haden presented on service to surrounding counties.
- Jesse Ungard presented clinical quality management data that included demographics for PLWHA.
- Derek Spencer of Jacques Initiative presented trends in primary medical care.
- Karen Bellesky of Chase Brexton Health Services gave an account of Part C grants in the Baltimore EMA.
- Thomas Bonderenko of Movable Feast gave a presentation on the food bank and home delivered meals.
- Claudia Gray of IDEHA gave a presentation on HIV Prevention and Treatment.
