Question & Answer period Part A Panel:

- Question for J. Hailey: Are Star Track spokesmodels reimbursed?
 - Answer: Spokesmodels receive small stipend through Better World Advertising.
- Question for J. Hailey: How does the Star Track program align with the NHAS?
 - Answer: Program encourages PLWH/As to access medical care and engage in medical treatment, seeks to reduce the number of new infections, and encourages those whose status is unknown to get tested and engage in safer sex practices.
- Question for J. Hailey: Where is the data to support this program?
 - Answer: No specific data on how many youths were re-engaged in care as a result of the program.

Additional questions from council members were collected and forwarded to the presenters. Video of the Q & A session can be found online at baltimorepc.org.
